Summit State Bank Contributes over \$650,000 to Local Nonprofits

Santa Rosa, CA – (March 6, 2026) – Summit State Bank is proud to announce the distribution of over \$650,000 to 250 nonprofit customers through its Nonprofit Partner Program. Since launching the program in 2009, the Bank has contributed more than \$7.2 million to nonprofit organizations, reflecting its long-standing commitment to supporting mission-driven organizations and reinvesting in the communities it serves.

This year's contributions include awards to Petaluma Health Center, 4Cs Sonoma County, Watch Duty, and others, supporting the critical work these organizations provide to our community.

In addition to the annual contribution, the Bank supports its Nonprofit Partners by hosting the North Bay Nonprofit Event each July, convening nonprofit leaders for education, collaboration, and shared resources that strengthen the nonprofit sector.

"Our nonprofit partners are essential to the strength and resilience of our communities," said Brian Reed, President and CEO of Summit State Bank. "This program allows us to reinvest based on the relationships we build and the trust our nonprofit clients place in us. Supporting their impact is central to our mission as a community bank."
