Dear Tom:

Thank you to everyone at Summit State Bank for your recent donation to the Healdsburg Education Foundation (HEF) Endowment Fund. We were delighted to receive your gift in the amount of **$5,000,** the continuation of your pledge to the HEF Endowment fund and the future of education in Healdsburg. We deeply appreciate your generosity and thoughtfulness.

We would also like to take this opportunity to recognize the excellent customer service we have enjoyed at Summit State Bank. We can always count on cheerful and courteous help when we walk into our Healdsburg branch to conduct business. We have and will continue to refer our colleagues to Summit without hesitation. Additionally, the co-marketing provided by Summit and Elaina Hunt has expanded our visibility and impact on education both in Healdsburg and county-wide.

Your contribution to the HEF Endowment Fund will help ensure a broad range of educational opportunities for our children in years to come. Public education has become a true community undertaking – thank you for recognizing how important each one of us is to the future of our children and our community.

Sincerely,

Paula Wurlitzer
